SUBJECT: PRIVATE ROAD MAINTENANCE

ADOPTED DATE: JANUARY 3, 1995

PAGE 1 OF 1

---

When requested, private roads, parking areas, and crossings may be maintained by the County Highway Department. All private work must be on a reimbursable basis. Reimbursement rates for these services should be as determined by the County Engineer. The approval or denial of these requests is at the discretion of the County Engineer. County Engineer determinations may be appealed to the County Commission.
