

# BARNES TOWNSHIP ZONING ORDINANCE

C

R

A

RESOLUTION

WHEREAS, the Barnes Township Board of Supervisors in conjunction with the Barnes Township Zoning Commission, composed of members from the affected areas, have investigated and determined the necessity of amending the "Barnes Township Zoning Ordinance"; and

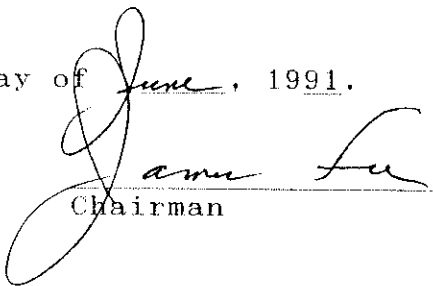

WHEREAS, after investigation and consultation with the Cass County Planning Department, the Barnes Township Zoning Commission has prepared an amended "Barnes Township Zoning Ordinance" to be submitted herewith to the Barnes Township Board of Supervisors and filed in the office of the Barnes Township Clerk and the Cass County Planning Department; and

WHEREAS, after filing of the proposed amended "Barnes Township Zoning Ordinance", the Barnes Township Zoning Commission held a public hearing thereon at which the proposed amendments were submitted for discussion, and parties in interest and citizens had an opportunity to be heard. Notice of the time, place, and purpose of the hearing was published fifteen days prior to the hearing in the official newspaper of the County. Said notice described the nature, scope, and purpose of the proposed rules and regulations, and stated the times at which it would be available to the public for inspection and copying at the office of the Cass County Planning Department; and

WHEREAS, the Barnes Township Zoning Commission has approved this draft of the amended "Barnes Township Zoning Ordinance" and recommends it be adopted by the Barnes Township Board of Supervisors.

NOW, THEREFORE, BE IT RESOLVED that the Barnes Township Board of Supervisors hereby adopts the amended "Barnes Township Zoning Ordinance".

Approved and adopted this 20 day of June, 1991.

  
Chairman

## Article II

### General Provisions

- I. Jurisdiction: The jurisdiction of this ordinance shall include all unincorporated areas of Barnes Township.
- II. Compliance: Except as hereinafter provided, no building, structure, or land shall be erected, repaired, or used except in conformance with this ordinance.

- III. Agriculture Exempted: Nothing in this ordinance shall be applied for the purpose of preventing or prohibiting the use of land or buildings for agriculture or any of the normal incidents of agriculture.
- IV. Interpretation: In the interpretation and application of this ordinance the provisions of this ordinance shall be held to be the minimum requirements. Where this ordinance imposes a greater restriction than existing law, the provisions of this ordinance shall govern.
- V. Non-Conforming Uses:
1. Lawful, non-conforming uses of land or buildings existing at the date of adoption of this ordinance may continue provided no structural alterations except for normal maintenance are made and such non-conforming uses shall not be extended to occupy a greater area of land than occupied at the time of adoption.
  2. No building or structure destroyed where a non-conforming use has been discontinued for a period of 1 year or has changed to a permitted use shall again be devoted to a non-conforming use.
  3. A non-conforming structure destroyed or damaged less than 50 percent of its fair market value may be reconstructed within 1 year of such casualty. If damaged more than 50 percent of its fair market value, such building shall be reconstructed in conformance to this ordinance.
  4. The provisions of this section shall not be applicable to conditional uses or any use made non-conforming by a change in district regulations.
- VI. Amendments: In accordance with Section 58-03-13 of the North Dakota Century Code, the Board of Township Supervisors may from time to time amend the provisions of this ordinance. Such amendment shall not become effective until after a public hearing at which parties of interest and citizens shall have the opportunity to be heard. At least 15 days notice of the time and place shall be published in the official newspaper of the county. The description of any land within any zoning district, together with any restriction therein, or any amendment to the zoning ordinance, shall be filed with the Board of Township Supervisors.
- VII. Definitions: For the purpose of this ordinance, the following definitions have been adopted:

A. Rules:

1. Words used in the present shall include the future, the singular number shall include the plural.
2. The word "person" includes a firm, partnership, association, corporation, or individual.
3. The word "shall" is mandatory.

B. List of Definitions:

1. Agriculture: The use of land for agricultural purposes, including the necessary building or structures for farm or farm labor use. Agriculture shall include farming, dairying, pasturage, horticulture, animal and poultry husbandry, and accessory uses and buildings for packing, treating, or storing produce, providing accessory uses are secondary to normal agriculture activities.
2. Accessory Use or Accessory Structure: A use or structure incidental and subordinate to the main use of the property and located on the same lot as the main use, such as a garage or tool shed.
3. Building: Any structure used for shelter or enclosure of persons, animals, or chattels.
4. Conditional Use: A use conditionally permitted in order to reduce any adverse effects on surrounding property.
5. Dwelling: A building or portion thereof occupied exclusively for residential purposes, but not including mobile recreational vehicles.
6. Dwelling, Farm: A single family dwelling or mobile home located on a farm which is occupied by the farm's owner or person employed thereon.

Article IV

Certificate Required

- I. Certificate of Zoning Compliance: No building or other structure shall be erected, moved, added to or structurally altered without a certificate issued by the Zoning Administrator. No certificate shall be issued except in conformity with the provisions of this Ordinance except after written order from the Township Board of Supervisors.

1. Permitted Use:

- A. Applications: All applications for certificates shall be accompanied by site plans. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other information as lawfully may be required by the Zoning Administrator, including existing or proposed building or alteration; existing or proposed uses of the building and land; existing or proposed parking; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.

- B. Expiration: If the work described in any certificate has not begun within twelve (12) calendar months from the date of issuance thereof, or such work described ceases for a period of twelve (12) calendar months, or if work described in the certificate is not completed within twenty-four (24) months said certificate shall expire. Time limitations cited above shall also apply to accessory buildings. The Zoning Administrator may grant a reasonable extension subject to the demonstration of a hardship condition. If canceled by the Zoning Administrator, a written notice thereof shall be given to the persons affected, together with notice that further work as described in the canceled certificate shall not proceed unless and until a new certificate has been obtained.
- C. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Zoning Administrator authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.
- D. Approval of Lot for Development: Prior to issuance of certificate, the applicant must provide a letter from the Cass County Planning Department stating that the lot has been approved by the county for development.
- E. Septic Permit Condition to Certificate: When, for any use, a private sewer system will be used, a septic permit from the Environmental Health Office of the Community Health Dept. of the City of Fargo will be required before any certificate is issued.
- F. Building Standards: All structures or buildings shall conform to the requirements of the Uniform Building Code and amendments thereto used by the city of Fargo, North Dakota.
- G. Electrical Standards: All structures or buildings shall have electrical installations which conform with the requirements of the National Electrical Code and the North Dakota Electrical Code.

2. Conditional Use:

- A. Applications: All applications for conditional use

certificates shall be accompanied by site plans. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other information as lawfully may be required by the Zoning Administrator, including existing or proposed building or alteration; existing or proposed uses of the building and land; existing or proposed parking; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.

- B. Conditions May Be Imposed: If the Township Board grants the conditional use, the Board may impose such conditions, including time limits, as may be deemed necessary for or appropriate to serve the purposes of the Comprehensive Plan, the Zoning Ordinance and to protect the public health, safety and welfare.
- C. Criteria for Approval: No conditional use shall be granted unless the Township Board finds the following:
1. The use will not create an excessive burden on parks, schools, streets, and other public facilities and utilities which serve or are proposed to service the area.
  2. The use will be sufficiently compatible or separated by distance or screening from adjacent residentially zoned or used land.
  3. The structure and site shall have an appearance that will not have any adverse effect upon adjacent residential properties.
  4. The use in the opinion of the Township Board is reasonably related to the existing and projected land use of the Township.
  5. The use is consistent with the purposes of the Zoning Ordinance and the purposes of the zoning district in which the applicant intends to locate the proposed use.
  6. The use is not in conflict with the Comprehensive Plan of the Township.
- D. Public Hearing: When considering an application for a conditional use, the Zoning Commission shall hold a

public hearing. At least fifteen (15) days prior to the date of hearing, notice of the purpose, time and place of such hearing shall be published in the official newspaper of Cass County.

- E. Order a Certificate be Issued: If the Township Board of Supervisors approve the conditional use application, the Board shall order the Zoning Administrator to issue a certificate of zoning compliance.
- F. Expiration: Where applicable, unless otherwise specified by the Board at the time it is authorized, a conditional use shall expire if the applicant fails to utilize such conditional use within one (1) year from the date of its authorization.

No application for a conditional use of a particular piece of property shall be accepted more than once in any twelve (12) month period.

- G. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Township Board of Supervisors authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.
- H. Approval of Lot for Development: Prior to issuance of certificate, the applicant must provide a letter from the Cass County Planning Department stating that the lot has been approved by the county for development.
- I. Septic Permit Condition to Certificate: When, for any use, a private sewer system will be used, a septic permit from the Environmental Health Office of the Community Health Dept. of the City of Fargo will be required before any certificate is issued.
- J. Building Standards: All structures or buildings shall conform to the requirements of the Uniform Building Code and amendments thereto used by the city of Fargo, North Dakota.
- K. Electrical Standards: All structures or buildings shall have electrical installations which conform with the requirements of the National Electrical Code and the North Dakota Electrical Code.

3. Variance: As used in this ordinance, a variance is authorized only for height, area, or size of structures or yards.
- A. Application: All applications for Variances shall be accompanied by site plans. The site plans shall be drawn to scale, showing the actual dimensions and shape of the lot to be built upon; the exact sizes and locations on the lot of buildings already existing, if any; and the location and dimensions of the proposed building or alteration. The application shall include such other information as lawfully may be required by the Zoning Administrator, including existing or proposed building or alteration; existing or proposed uses of the building and land; existing or proposed parking; the number of families, housekeeping units, or rental units the building is designed to accommodate; conditions existing on the lot; and such other matters as may be necessary to determine conformance with and provide for the enforcement of this Ordinance.
- B. Conditions May Be Imposed: If the Township Board grants the variance, the Board may impose such conditions, including time limits, as may be deemed necessary for or appropriate to serve the purposes of the Comprehensive Plan, the Zoning Ordinance and to protect the public health, safety and welfare.
- C. Criteria for Approval: No variance shall be granted unless the Township Board finds the following:
1. That there are exceptional or extraordinary circumstances applying to the property in question or to the intended use of the property that do not apply generally to other properties or class or use in the same zoning district.
  2. That such variance is necessary for the preservation and enjoyment of a substantial property right possessed by other properties in the same zoning district and in the vicinity.
  3. That the authorization of such variance will not be of substantial detriment to adjacent property and will not materially impair the purpose of the ordinance or the public interest.
  4. The owner cannot otherwise obtain a reasonable return on this property.
  5. The hardship is not self-created.

6. The variance request is the minimum necessary to permit a reasonable use of the land.

- D. Public Hearing: When considering an application for a variance, the Zoning Commission shall hold a public hearing. At least fifteen (15) days prior to the date of hearing, notice of the purpose, time and place of such hearing shall be published in the official newspaper of Cass County.
- E. Order a Certificate be Issued: If the Township Board of Supervisors approve the variance application, the Board shall order the Zoning Administrator to issue a certificate of zoning compliance.
- F. Expiration: Where applicable, unless otherwise specified by the Board at the time it is authorized, a variance shall expire if the applicant fails to utilize such variance within one (1) year from the date of its authorization.
- No application for a variance of a particular piece of property shall be accepted more than once in any twelve (12) month period.
- G. Construction and Use to be as Provided in Applications, Plans, and Certificate: Certificates issued on the basis of plans and applications approved by the Township Board of Supervisors authorize only the use, arrangement, and construction set forth in such approved plans and applications, and no other use, arrangement, or construction. Use, arrangement, or construction at variance with that authorized shall be a violation of this Ordinance.
- H. Approval of Lot for Development: Prior to issuance of certificate, the applicant must provide a letter from the Cass County Planning Department stating that the lot has been approved by the county for development.
- I. Septic Permit Condition to Certificate: When, for any use, a private sewer system will be used, a septic permit from the Environmental Health Office of the Community Health Dept. of the City of Fargo will be required before any certificate is issued.
- J. Building Standards: All structures or buildings shall conform to the requirements of the Uniform Building Code and amendments thereto used by the city of Fargo, North Dakota.

- K. Electrical Standards: All structures or buildings shall have electrical installations which conform with the requirements of the National Electrical Code and the North Dakota Electrical Code.
