

609 Security Inspections

Effective Date: 05/07/2018

In an effort to maintain a safe work environment, including one that is free of illegal drugs, alcohol, firearms, explosives, or other improper materials, and to discourage theft or unauthorized possession of our property or yours, we reserve the right to inspect all work areas, including vehicles, desks, storage containers, lockers, and areas where personal belongings may be kept. We require the cooperation of everyone in administering this policy.

Because of the urgency underlying such searches, we may conduct inspections at any time, and without advance notice to you.

In addition, we may also conduct inspections of persons entering and/or leaving the premises, as well as personal items, such as purses, coats, etc. Anyone who wishes to avoid inspection of any articles or materials should not bring such items to the workplace.

If you are not wearing an identification badge when entering a County building, you may be subject to screening and any items will be subject to inspection and search.
