Weed Control Progress Report

September 9th, 2024

Period from to August 9 to September 3, 2024

submitted by Kyle Aasand

New Business:

Monthly Report:

Roadside Spraying: Roadside spraying has continued in the county. Walker Lawncare continues to spray when conditions are good, and J&J will continue spraying in the Fall. To date a total of 4863 acres have been sprayed, totaling \$226,209 in application and chemical costs.

Durbin Gravel Lot: Weed Control staff have sprayed to control broadleaves around the water holding pond as well as glyphosate on the gravel pit at the Durbin Gravel Site.

Purple Loosestrife: Weed Control staff have scouted and sprayed for Purple loosestrife in north Fargo. The Purple loosestrife continues to maintain its presence in the two drains.

County Weed Spraying: Canada thistle spots have been sprayed in various areas around the county.

Weed Management Symposium: Kyle attended the weed management symposium August 20-22nd in Washburn. Many topics were covered including weed ID, Spray Software Updates, and an update on the new potential grass weed of Ventanata, among other topics.
